8th Annual Meeting

NUCLEAR MEDICINE TECHNOLOGISTS OF TENNESSEE

**APRIL 7-9, 2017
HILTON KNOXVILLE
KNOXVILLE, TN**

Program Objective:

Provide Nuclear Medicine Technologists with the information necessary to preserve and expand the current scope of practice, to identify the technologist's role in molecular imaging, to revisit issues related to radiation safety and educating the public, and to provide insight into accreditation and regulations under the current professional.
